Dear Merry Palmer,

We are in receipt of your letter requesting BROCK information. Enclosed you will see the index card which refers to the death certificate of Jacob Brock. It can be obtained from the Courthouse.

I am enclosing a survey of other material which we could search for you upon request and payment of \$5.00.

We are hoping to start a journal which will print Delaware County genealogical records in January of 1991.

Thank you for your letter. If we can serve you further, let us know.

Sincerely,

Jane Beekman
